

Friends of the Dartmoor Hill Pony

Help by Becoming a Member Help us to help them

Ponies have grazed on Dartmoor for thousands of years. But now the life of the Dartmoor Hill Pony is in **crisis**; the foals are not selling as a result of the global economic situation and we **have** to find a new way forward– if we don't the semi feral hill ponies will **disappear**, destroying a valuable gene pool developed over hundreds of years of breeding to survive and thrive on Dartmoor.

The work of the FDHP has involved finding homes for many of the foals as they cannot be returned to the moors – But this is only a short-term solution and we need all the help we can get.

The FDHP is committed to working with pony breeders to create a long-term welfare plan that will result in securing the future of this wonderful pony. For more details please go to our website. We are looking for funds to enable us to put these projects in place, please help if you can. Any donations, however small, will be gratefully received and in turn we will keep you up to date with what we are trying to do via our newsletter.

(Please complete in block capitals)

Name: _____

Address: _____

Tel No: _____ Email: _____

Donation: _____

Foal sponsorship _____ (Cost £105 per foal for Microchip, Passport, Castration and Rehoming)

Mare sponsorship _____ (Cost £115 covers Contraceptive Treatment Microchip and recording on database)
